Affirmative Action Policy

The A.G. Coombs Group considers Affirmative Action and Equal Opportunity an important element of our Human Resources strategy.

The Affirmative Action Program we have in place is designed to provide opportunities for women and reduce the barriers to women working in non-traditional areas.

The A.G. Coombs Group is committed to a process of continual improvement in Affirmative Action/Equal Opportunity to more accurately reflect community standards of women in the workforce.

The Human Resources Manager has the responsibility for ensuring the Program is effectively managed, properly implemented and regularly reviewed.
